The University of Liège and the e-mage technology forum are proud to invite you to this conference on **Medical Imaging**, which is also the first of a series of international conferences to be known as **Liège Image Days**.

The meeting will be of interest to anyone involved in **Medical Imaging** and more generally in **Imaging**: physicians, engineers, scientists, end-users, academia, industry, sponsoring agencies, etc. Anyone with an interest in medical imaging is also welcome.

Highlights

- Small number of presentations by local and international leading experts on hot and emerging topics in the field of Medical Imaging
- Inauguration of our recently-acquired low-field interventional MRI facility for neurosurgery
- Scientific posters and workshops
- Exhibition
- B2B meetings
- Live broadcast of surgical operations in conjunction with the ImagéSanté Festival (Image & Health Festival)

The meeting will feature the following Keynote Speakers

Pr Dr W. DREXLER
Scotland
School of Optometry
and Vision Sciences,
Cardiff University

Pr Dr L. PIERARD
Belgium
Department of Cardiol-
ogy, University of Liège

Pr Dr J. G. CHASE
New Zealand
Department of
Mechanical Engineer-
ing, University of
Canterbury

Pr Dr J. BROTCHE
Belgium
Senator, President of
the World Federation of
Neurosurgical Societies,
Honorary Chairman
of the Department of
Neurosurgery, Erasme
Hospital, ULB

Pr Dr S. K. WARFIELD
USA
Computational Radiology
Laboratory, Harvard
Medical School
